Wedding Brochure 2018

THE COMPLETE WEDDING PACKAGE

Chateau de Lerse is an elegantly renovated 15th century home, which offers a mix of modern and antique furnishings within. Situated 30 minutes from the French capital of the comic strip and designated City of Art and History, Angoulême.

Set amidst 105 hectares of gently undulating hills, and sleeping a total of 26 guests throughout the chateau and high-end Safari tents, it offers a simply stunning place to stay and in which to hold your wedding, with its unique covered courtyard overlooking the wonderful countryside with an integral evening bar. Here is a place where beautiful memories are made.

The chateau has four comfortably appointed spacious guest rooms, which are located on the first floor and feature king-size beds with en-suite bathrooms. On the ground floor are three tastefully decorated living rooms.

The gîte accommodates six people, in considerable comfort, within a single-storey house which has two bedrooms, a large living area, kitchen and fireplace. It overlooks a shaded terrace equipped with garden furniture and barbecue.

The Pigeonnier sleeps 2 and is a quirky original self-contained round building adjacent to the chateau and pool with its own terrace with tables and chairs overlooking the undulating Charente countryside.

The Safari campsite is set around the lake with pontoon. Housing 5 safari tents to complete the glamping experience for up to 10 guests. With a separate fully equipped shower room for the glamping guests to share.

There is also an outdoor heated swimming pool for guests to use opposite the chateau with a sun terrace and sun beds.

Once booked, we invite couples to stay for a night, free of charge, prior to your wedding to get to know the chateau and staff whilst you sample the wedding menu and wines of the region. T&C's apply.
